

## **Job Description – Communications Intern**

**New Jersey Sea Grant Consortium (NJS GC)** is currently seeking a summer intern to work within the communications department and assist staff with all relevant tasks including (but not limited to): social media campaigns, video production, event coverage/promotion, and programmatic outreach. This position is ideal for undergraduates interested in pursuing a career in the digital communications field, with a unique emphasis on marine, coastal, and STEM initiatives. The intern will report directly to NJS GC's Communications Specialist and work throughout the busy 2023 summer season (May-August) at the Jersey Shore.

### **Intern Job Responsibilities:**

- Understands the overall concept and mission of the organization.
- Assists with the growth and success of NJS GC's social media presence (Facebook, Twitter, Instagram, YouTube, etc.).
- Attends, promotes, and helps execute several special events and ceremonies, including Ocean Fun Days, State of the Shore, "Favorite Beaches," Jersey Shore photo contest, etc.
- Collaborate with Sea Grant-funded researchers, stakeholders, community representatives, and other state partners/agencies.
- Builds NJS GC's video portfolio (knowledge in editing and graphic design a plus)
- Helps create "needs assessments" and other applicable reports for management.

*\*Terms are subject to change pending COVID-19 rules and regulations. The opportunity to work remotely is possible and will be determined by NJS GC management.*

**Benefits:** Flexible hours. We're located in the historical Fort Hancock section of Sandy Hook – right on the beach! The communications intern will work no more than 40 hours per week and be compensated with a stipend of \$6,000. Gain professional experience and assist with the ins and outs of digital communications within the scientific marine professional world.

### **Requirements:**

- College undergraduate studying Marine/Environmental Science, Communications, Public Relations, Digital Marketing, or any related field.

If interested, please email your resume along with a brief explanation as to why you're applying to NJSGC's [Communications Specialist](#) by 5PM Friday, March 31, 2023. We look forward to hearing from you!
